Retired Member Declaration

Requirements

This declaration is required to be completed:

1. When applying for a transfer to Retired membership of the API; or
2. When applying for readmission to Retired level of membership of the API; or
3. At any time when requested by the API

Transferring to retired membership enables the retired member to retain the post-nominals previously held, with the addition of (Rtd) (eg. FAPI (Rtd)). However, there is no retention of certifications.

To be eligible for Retired membership each Member must meet the following criteria at all times. Those criteria are:

1. I have retired from full time employment, and
2. I do not undertake any valuation services

Declaration by Member/Applicant

By signing this Declaration, I am stating that I meet the requirements of Retired membership as shown above.
