1. DEFINITIONS

The definitions below and elsewhere in this Guideline have been included for interpretation and understanding of certain stated terms used within this Guideline. Whilst defined terms may have a common meaning or interpretation their use in this Guideline may have a different meaning and take precedence.

Where a defined term is included, in this Guideline, it is shown as a capitalised term.

In this Policy, unless the context requires otherwise:

API	means the Australian Property Institute Limited (ACN 608 309 128).
Applicant	means a person applying for a Certification in accordance with this Guideline.
Approved Professional Experience	Full time experience (or equivalent) completed outside the course of study
Assessment Reports	<p>means the valuation or industry output reports completed by the Applicant as required under the report submission stage of an application for a Certification.</p> <p>Confidential information should be redacted. However, the valuation/numerical amount must be included.</p> <p>Note: The purpose of redaction (obscuring the written text) of reports conducted during the course of employment with your employer is available in order to not disclose to a third party (e.g., API) confidential and sensitive commercial employer information in the report and annexure. If you aren't sure what is required to be redacted, please check with your employer before submitting your reports. Examples include, but are not limited to, addresses (removal of street name and number, retention of suburb required to provide context), client/customer names, bank and borrower, legal description and highly identifiable photographs.</p>
Board	means the Board of Directors of API.
Certifications	<p>means the professional Post Nominals awarded by API in recognition of completion of API accredited courses and other assessed criteria. The Certifications offered by API which are subject to change from time to time are:</p> <ul style="list-style-type: none">(a) Residential Property Valuer;(b) Certified Practising Valuer;(c) Certified Practising Valuer (Residential);(d) Certified Practising Valuer (Plant & Machinery);(e) Certified Practising Valuer (Business);(f) Certified Property Practitioner;(g) Certified Asset Manager;(h) Certified Commercial Property Manager;(i) Certified Facilities Manager;

6. PROCESS FOR ATTAINING THE RPV CERTIFICATION

6.1. Education and experience

Applicants seeking RPV Certification must meet the following education and experience requirements:

- (a) demonstrate completion of an API accredited higher education course (or equivalent overseas academic qualification);
- (b) complete the Practical Valuation Training (PVT) (RPV level);
- (c) provide three referee reports on the required form; and
- (d) demonstrate via an experience journal one year of full time (or equivalent) professional experience in the valuation of residential property in the past two years.

6.2. Report submission

If an Applicant is compliant with the education and experience requirements in accordance with clause 6.1, the Applicant must then provide:

- (a) three Assessment Reports that meet the following requirements:
 - (i) Assessment Reports must only be of residential property;
 - (ii) Assessment Reports must be dated no earlier than 12 months of the submission date;
 - (iii) Assessment Reports must demonstrate varying valuation methodologies;
 - (iv) Assessment Reports which are either:
 - three long form reports, or
 - two long form reports and one PropertyPRO Report.
- (b) supporting field and file notes for all Assessment Reports; and
- (c) letters of certification for all Assessment Reports.

Note: Insurance Assessments will not be accepted as Assessment Reports.

6.3. Evaluation of reports

The following process will apply for all submitted Assessment Reports:

- (a) Assessment Reports will be evaluated against a checklist for technical content by a member of the report review panel and must meet a minimum standard for written reports;
- (b) the valuation amount provided in each Assessment Report will not be considered, and the Applicant is able to select their choice of valuation methodology (the application of which is tested in an interview);
- (c) Assessment Report(s) that fail the evaluation will be returned to the Applicant with feedback to enable the Applicant to review, amend or update and resubmit the Assessment Report(s).
- (d) Where Assessment Reports fail evaluation three times the applicant will fail the certification application. The applicant will not be permitted to apply for a new application until a period of three months. Any new application will require new Assessment Reports.

6.4. Interview

6.4.1. Once the report submission stage described in clause 6.2 and evaluation of reports as per clause 6.3 has been completed, the Applicant will be eligible to proceed to an interview which will be conducted either in person or virtually (or a combination).

6.4.2. Interviews will be conducted by two CPV certified members with a minimum of five (5) years of professional experience post receipt of their CPV Certification and who have

completed the API examiner training module.

6.4.3. The following processes will be followed during interviews:

- (a) the interview shall run for no more than 1.5 hours and will follow an established format aimed at testing the Applicant's knowledge of valuation concepts and principles, residential market fundamentals, the Assessment Reports submitted in accordance with clause 6.2 and the valuation method(s) used, as well as their understanding of their responsibilities to the property profession and API;
- (b) Assessment Reports will not be re-examined during an interview, however, the Applicant may be questioned on the Assessment Reports to test understanding and knowledge; and
- (c) following the conclusion of the interview, the Applicant will be informed by API staff whether they have passed or failed the interview.

6.4.4. The following processes will be followed in the event of an unsuccessful (failed) interview process;

- (a) an Applicant who has failed the interview will be given a right to apply for a second interview which cannot be scheduled earlier than two months from the date of the initial interview;
- (b) the Applicant will be provided with feedback outlining areas for improvement;
- (c) initial Assessment Reports may be used for the second interview, with the interview to be conducted by new examiners; and
- (d) if the Applicant fails the second interview they will not be permitted to present for a new interview until a period of six months has elapsed from the date of the second failed interview. This is to allow time for the Applicant to review feedback and to gain the required additional skills and knowledge.

7. PROCESS FOR ATTAINING THE CPV CERTIFICATION

7.1. Education and experience

Applicants seeking CPV Certification must meet the following education and experience requirements:

- (a) demonstrate completion of an API accredited higher education course (or equivalent overseas academic qualification);

- (c) provide three referee reports on the required form; and
- (d) demonstrate via an experience journal two years of full time (or equivalent) professional experience in the valuation of real property across a variety of asset classes in the past four years.

7.2. Report submission

If an Applicant is compliant with the education and experience requirements in accordance with clause 7.1, the Applicant must provide:

- (a) three Assessment Reports that meet the following requirements:
 - (i) Assessment Reports must be dated no earlier than 12 months of the submission date;
 - (ii) Assessment Reports must cover three different areas of property types/classes (e.g., commercial, industrial, retail, rural, residential etc);
 - (iii) Assessment Reports must demonstrate at least three different valuation methodologies across the reports submitted (e.g., comparable transactions methods utilising direct comparison, capitalisation of income method, direct comparison by component (also known as summation), discounted cashflow calculation and hypothetical development method etc);

- (b) supporting field and file notes for all Assessment Reports; and
- (c) letters of certification for all Assessment Reports.

Note: Insurance Assessments will not be accepted as Assessment Reports.

7.3. Evaluation of reports

The following process will apply for all submitted Assessment Reports:

- (a) Assessment Reports will be evaluated against a checklist for technical content by a member of the report review panel and must meet a minimum standard for written reports;
- (b) the valuation amount provided in the Assessment Report will not be assessed;
- (c) Assessment Report(s) that fail the evaluation will be returned to the Applicant with feedback to enable the Applicant to review, amend or update and resubmit the Assessment Report(s).
- (d) Where Assessment Reports fail evaluation three times the applicant will fail the certification application. The applicant will not be permitted to apply for a new application until a period of three months. Any new application will require new Assessment Reports.

7.4. Interview

7.4.1. Once the report submission stage described at clause 7.2 and evaluation of reports as per clause 7.3 above has been passed, the Applicant will be eligible to proceed to an interview which will be conducted either in person or virtually (or a combination).

7.4.2. Interviews will be conducted by two CPV certified members with a minimum of seven (7) years of professional experience post receipt of their CPV Certification and who have completed the API examiner training module.

7.4.3. The following processes will be followed during interviews:

- (a) the interview shall run for no more than 1.5 hours and will follow an established format aimed at testing the Applicant's knowledge of valuation concepts and principles, real estate market fundamentals, the Assessment Reports submitted in accordance with clause 7.2 and the valuation method(s) used, as well as their understanding of their responsibilities to the property profession and API;
- (b) Assessment Reports will not be re-examined during an interview; however, the Applicant may be questioned on the Assessment Reports to test understanding and knowledge; and
- (c) following the conclusion of the interview, the Applicant will be informed by API staff whether they have passed or failed the interview.

7.4.4. The following process will be followed in the event of an unsuccessful (failed) interview process:

- (a) an Applicant who has failed the interview will be given a right to apply for a second interview which cannot be scheduled earlier than two months from the date of the initial interview;
- (b) the Applicant will be provided with feedback outlining areas for improvement;
- (c) initial Assessment Reports may be used for the second interview, with the interview to be conducted by new examiners;
- (d) if the Applicant fails the second interview they will not be permitted to present for a new Interview until a period of six months has elapsed from the date of the second failed Interview. This is to allow time for the Applicant to review feedback and to gain the required additional skills and knowledge.
